TECHNICAL SHEET

NATURAL TRAVERTINE PENDANT LIGHT

Aruvo

Natural stone, beautifully unrefined.
A compact, quietly sculpted pendant.

Two finishes Ash Grey & Natural Beige

THE OBJECT

Aruvo celebrates the raw character of genuine travertine: open pores, delicate mineral veins and natural markings give every shade its own texture. A walnut-finish wood collar softens the stone, and a slender black cable keeps it simple, over an island, a dining table or a quiet corner.

SHADE HEIGHT	5.5 in
CABLE, UP TO	59.1 in

Choose your finish

Ash Grey

COOL MINERAL ACCENT

Grey travertine shade.

Natural Beige

SOFTER, EARTHY

Beige travertine shade.

Walnut collar

SOLID WOOD

Same in both finishes.

Where it works

Kitchen island. Bottom of shade 29.5–33.5 in above the counter.

Dining table. 27.6–31.5 in above the tabletop, centered.

Walkways. Keep adequate overhead clearance.

Installation

Hardwired. Professional installation recommended.

Safety first. Disconnect power before installing or servicing.

Ceilings. Suits slopes under 30°; cable adjustable.

Care

Stone and wood. Wipe gently with a soft, dry cloth.

Avoid. Water, household cleaners, high humidity, direct heat on the wood.

Bulb. Change only when off and cool.

Answers before you ask

Is a bulb included?

No. It takes an E27 bulb up to 40 W; an LED is recommended.

Will it work in the US?

Yes. It is rated 110–240V AC, which covers 120V US circuits.

Can I dim it?

Yes, with a dimmable bulb and a wall dimmer. Neither is included.

What differs between the finishes?

Only the stone color. Collar, fittings and size are identical.

Will mine match the photos?

Each shade is unique. Pores, color shifts and veins are natural to the stone.

Can I adjust the hanging height?

Yes. The cable is adjustable, up to 59.1 in (150 cm).
