SMOKED GLASS LED WALL SCONCE

Aurevyn

Smoked glass & metal frame.
A sculptural LED wall light.

2 finishes · 3 light colors · integrated LED

THE OBJECT

Aurevyn pairs a rounded smoked-glass shade with a slender vertical stem and a clean round wall mount. A circular light source floats inside the glass and casts a soft light downward. Made for bedsides, entryways and hallways, in Amber or Smoke Grey.

Choose your light

Warm Light
3000K

Cozy and inviting. Ideal for bedrooms and entryways.

Neutral Light
4000K

Balanced and natural. Ideal for hallways and living rooms.

Cool Light
6000K

Crisp and bright. A clean, modern look.

Where it works

Bedsides. A pair either side of the bed, centered about 58–62 in above the floor.

Hallways. In a series, space fixtures about 6–8 ft apart for an even rhythm.

Living rooms. Flank a mirror, console or fireplace for a soft, layered glow.

Installation

Hardwired wall mount. A qualified electrician is recommended.

Safety first. Switch the power off at the breaker before installing or servicing.

Wall switch. Controlled by a standard wall switch (not included).

Care

Glass. Wipe with a soft microfiber cloth. No abrasive products.

Metal frame. Dust gently with a dry, soft cloth.

Natural variation. Values are approximate.

Answers before you ask

Do I need to buy a bulb?

No. Aurevyn has an integrated LED, so it is ready to light as soon as it is installed.

Will it work in the US?

Yes. It is rated AC 110–240V, which covers US 110–120V electrical systems.

Can I choose the light color?

Yes: warm 3000K, neutral 4000K or cool 6000K, chosen when you order. It is fixed per version and not dimmable.

Does it plug in?

No. Aurevyn is hardwired to the wall. Installation by a qualified electrician is recommended.

Which finish should I choose?

Amber for a warm, golden character; Smoke Grey for an understated, architectural look.

What if it is not right for me?

Every Aurevyn is covered by a 2-year warranty and 30-day returns, with personal support from our team.
