SCULPTURAL SOLID WOOD PENDANT LIGHT

Avelis

Sculpted wood, layered form.
A 1970s-inspired pendant in warm grain.

Two finishes Dark Wood & Light Wood

THE OBJECT

Avelis stacks overlapping, gently flared wooden tiers into a pendant inspired by Scandinavian design and the shapes of the 1970s. Natural grain, shadow and subtle metal details give it rhythm, above a dining table, kitchen island or breakfast nook.

SAME IN BOTH

Same design, same materials.

Where it works

Kitchen islands. Place the bottom of the pendant 29.5–33.5 in above the counter.

Dining tables. Place the bottom 27.5–31.5 in above the tabletop.

Nooks & bathrooms. Damp-location rated, with correct installation.

Installation

Hardwired. Professional installation is recommended.

Cable. Set the drop during installation, up to 59 in (150 cm).

Safety first. Switch off at the breaker before installing or servicing.

Care

Wood. Clean gently with a soft, dry cloth.

Glass. Wipe the glass details with a soft cloth.

Avoid. Abrasive cleaners, excess moisture and direct heat.

Answers before you ask

What bulb does it take?

One G9 LED bulb, up to 12 W. Bulb not included.

Is it dimmable?

Yes, with a compatible dimmable bulb and dimmer switch. Neither is included.

Can I use it in a bathroom?

Yes, installed to local codes and the fixture's damp-location requirements.

Will it work in the US?

Use a rated G9 bulb and have an electrician match your supply.

What differs between the finishes?

Dark Wood has a walnut-toned outer tier; Light Wood reverses it.

Is the wood identical on every piece?

No. Grain and color vary slightly, so each pendant is unique.
