FLUTED NATURAL ALABASTER

FLUTED ALABASTER WALL SCONCE

Elaris

Natural alabaster, softly fluted.
Quiet architectural light.

Three finishes Brushed Nickel, Brushed Brass & Matte Black

THE OBJECT

Elaris pairs a slender, vertically ribbed half-cylinder of natural alabaster with understated metal end caps. Lit, the stone glows warm and brings its one-of-a-kind veining to life, beside a bed, along a hallway, in an entryway or as a quiet accent in a living room.

LIGHT SOURCE **Integrated LED** Approx. 8 W · warm white 3000K	MATERIAL **Alabaster** Natural fluted stone · metal end caps
LOCATION **Indoor** Bedroom · hallway · entryway	INSTALLATION **Hardwired** Wall mount · 110–240 V

PROJECTION	5.9 in

Choose your finish

Brushed Nickel
COOL SATIN METAL

Crisp contrast with ivory stone.

Brushed Brass
WARM GOLDEN METAL

Enhances the stone's warm veining.

Matte Black
DEEP, UNDERSTATED

Graphic framing for the glow.

Where it works

Bedsides. Mount a pair about 58–62 in above the floor, flanking the headboard.

Hallways & entries. Center about 60–66 in above the floor.

Living rooms. Flank a fireplace, mirror or artwork for symmetry.

Installation

Hardwired. Professional installation is recommended.

Projection. Sits 5.9 in (15 cm) from the wall; allow for the profile.

Safety first. Switch off at the breaker before installing or servicing.

Care

Alabaster. Dust gently with a soft, dry cloth.

Metal. Wipe with a soft, dry cloth.

Avoid. Abrasive cleaners and excess moisture.

Answers before you ask

What light source does it use?
Integrated LED, approx. 8 W, warm white 3000K. No bulb to buy.

Is it dimmable?
No. Elaris is not dimmable; use it with a standard wall switch.

Can I plug it in?
No. Elaris is hardwired into your wall's electrical supply.

Will it work in the US?
Yes. AC 110–240 V, compatible with 120 V. Have an electrician wire it.

What differs between the finishes?
Only the metal: Nickel, Brass or Black. Stone and design are identical.

Is the alabaster identical on every piece?
No. Veining, tone and translucency vary, so each sconce is unique.
