NATURAL ALABASTER LED WALL SCONCE

Nerava

Stone, lit from within.
A tall, quietly sculptural alabaster sconce.

Two sizes Small 11.8 in & Medium 15.7 in

THE OBJECT

Nerava is carved from genuine alabaster in a refined rectangular silhouette. Delicate mineral veining runs through the stone, and its natural translucency turns light into a warm glow, for entryways, bedsides and living rooms.
