

NATURAL TRAVERTINE · WALNUT BASE

NATURAL TRAVERTINE & WALNUT TABLE LAMP

Nivora

Raw stone, lit from within.
A quietly sculptural travertine table lamp.

Two sizes Wide & Narrow

THE OBJECT

Nivora is carved from a solid block of beige travertine with its characteristic mineral pores, set on a slim walnut-finish wood base. Lit from within, the open cavities of the stone glow amber, so every lamp casts its own pattern, for bedsides, desks and consoles.

Narrow
SLIMMER, VERTICAL

W 3.0 × H 4.7 in (7.5 × 12 cm).

Walnut base
SOLID WOOD

Brass button, white cable, walnut finish.

Where it works

Bedside tables. One on each side of the bed, at mattress height.

Desks. A soft accent light beside the screen, within arm's reach.

Consoles & sideboards. A pair frames a mirror or a piece of art.

Installation

Plug and play. Place it on a flat, stable surface and plug in.

Safe placement. Route the cable clear of walkways and unplug before moving.

Nothing to fit. The LED is integrated, so there is no bulb to install.

Care

Travertine. Dust with a soft, dry cloth. Avoid water and acidic or abrasive cleaners.

Wood base. Wipe with a dry cloth, away from moisture and direct heat.

Before cleaning. Unplug the lamp first.

Answers before you ask

Is a bulb needed?

No. The LED is integrated and lasts about 50,000 hours (not replaceable).

Will it work in the US?

Yes. It plugs into a standard outlet and complies with North American standards.

Is every stone identical?

No. Natural travertine varies in pores, markings and tone.

Can it charge a device?

Yes. A USB port is built into the base.

Which size should I choose?

Wide is a balanced cube. Narrow takes less room on a tight nightstand or shelf.

Can I use it in a bathroom or outdoors?

No. Keep it in dry indoor rooms.
