

PRECISION METAL · SOLID WOOD RING

VELUNA

LIGHTS

TECHNICAL SHEET

WOOD & METAL PENDANT LIGHT

Norvane

Sculptural form, natural wood. Layered metal with a solid-wood ring.

Four finishes Black or White metal · Dark or Light Wood

THE OBJECT

Norvane balances the precision of layered metal with the warmth of a solid-wood ring. Its concentric, stepped silhouette creates a rhythm of light and shadow, bringing a composed presence to kitchen islands, dining rooms and refined living spaces.

Where it works

Kitchen islands. Place the bottom of the shade 29.5–33.5 in above the counter.

Dining tables. Place the bottom 27.5–31.5 in above the tabletop.

Walkways. Keep at least 82.7 in (210 cm) clear below the fixture.

Installation

Hardwired. Have it installed by a qualified electrician, to local codes.

Sloped ceilings. Suitable for slopes under 30°; set the drop at installation.

Safety first. Switch off at the breaker before installing or servicing.

Care

Wood. Dust with a soft, dry cloth.

Metal. Clean gently with a dry microfiber cloth.

Avoid. Excess moisture and direct heat on the wood.

Answers before you ask

What bulb does it take?

One E26/E27 bulb, up to 40 W incandescent or LED equivalent. Not included.

Is it dimmable?

Yes, with a compatible dimmable bulb and dimmer switch. Neither is included.

Will it work in the US?

Yes. It is rated 110–240V and suits US 110–120V, 60Hz systems.

Is it sold as a set?

No. Each purchase is one pendant light.

What differs between the finishes?

Only the metal color (black or white) and the wood ring tone (dark or light).

Is every wood ring identical?

No. Grain and tone vary subtly, so each fixture is unique.
