SCULPTURAL SOLID WOOD PENDANT LIGHT

Orrik

Sculpted wood, architectural light.
A faceted lantern with a warm glow.

One finish Dark Wood & Brushed Brass

THE OBJECT

Orrik brings together solid wood and sculptural design in a geometric silhouette of angular, individually defined panels. Warm light shines through the open facets, whether it hangs above a kitchen island, a dining table or a reading corner.

What it's made of

Solid dark wood

FACETED PANELS

Natural grain and tonal depth.

Brushed brass

METAL ACCENTS

Brass and gold-toned detailing.

Warm glow

BETWEEN THE PANELS

Light shines through open facets.

Where it works

Kitchen islands. Place the bottom of the pendant 30–33.5 in above the counter.

Dining tables. Allow 27.5–31.5 in between the tabletop and the fixture.

Reading areas. Hang it low over a chair or side table for an intimate glow.

Installation

Hardwired. Professional electrical installation is recommended.

Cable length. Set the drop at installation, up to 59 in (150 cm).

Safety first. Switch off at the breaker before installing or servicing.

Care

Wood & brass. Dust gently with a dry, soft cloth.

Avoid. Moisture, abrasive products and direct heat.

Variation. Natural grain differences make each Orrik unique.

Answers before you ask
