OPPOSING FORMS

Genuine carved stone, natural veining.

Bronze-finish brass
STRUCTURE & DETAILS

Slender stem and spherical accents.

Integrated LED
BUILT-IN GLOW

Lights the alabaster from within.

Where it works

Hallways & living rooms. Center 59–67 in above the floor; 32–47 in apart.

Bedsides. In a pair, center 47–55 in above the floor.

Around a mirror. At eye level, 63–67 in above the floor.

Installation

Wall mount. Installation by a qualified electrician is recommended.

Safety first. Switch the power off at the breaker before installing or servicing.

Concealed wiring. Hardwired for a clean, uncluttered finish.

Care

Alabaster. Soft stone: with the light off and cool, dust gently with a dry cloth.

Brass. Wipe with a dry cloth. The patina evolves with time.

LED. Integrated, so there is no bulb to change.

Answers before you ask

Is the light source included?
Yes. An integrated LED is built in, so there is no bulb to buy.

Will it work in the US?
Yes. It is specified for AC 110–240V, which covers US 110–120V.

Can I dim it?
Dimming is not specified. Use a dimmer only if confirmed compatible.

Is every shade identical?
No. Alabaster varies in veining, color and translucency.

Can I replace the LED?
The LED is integrated. A user-replaceable module is not specified.

Can I use it in a bathroom or outdoors?
No. Keep it in dry indoor rooms.
