ALABASTER WALL SCONCE

Leonie

Natural alabaster & black metal.
A slim wall sconce with a soft, glowing slab.

THE OBJECT

Leonie sets a slab of genuine Spanish alabaster on a cast backplate, held in place by slim black metal brackets that cross the frame at the top and bottom. Real stone, not resin or artificial alabaster glass: every piece has its own veining, and the integrated LED turns it into a soft, glare-free glow. Hardwired, with a simple plate-and-two-screws installation.

Where it works

Bedrooms. A pair either side of the bed makes soft, balanced reading light.

Halls & entryways. A slim vertical glow that takes almost no floor space.

Living rooms. Flank a mirror, a fireplace or a sofa for a warm accent.

Installation

Hardwired. A qualified electrician should install it, with the power off at the breaker.

Simple fixing. Screw the mounting plate to the wall, connect the wires, then lock the sconce on with 2 screws.

Installation guide. A step-by-step Veluna guide comes with your sconce.

Care

Alabaster. Dust with a dry, soft cloth. Avoid water and household cleaners.

Frame. Wipe with a dry, soft cloth; avoid abrasive cleaners.

Natural materials. Veining and tone vary from piece to piece; values are approximate.

Answers before you ask

Is it real alabaster?

Yes. Genuine Spanish alabaster, not resin or artificial alabaster glass. Veining and translucency vary naturally.

Will it work in the US?

Yes. It runs on AC 110–240V, which covers US 110–120V electrical systems.

Can I dim it?

No. This model does not support dimming. Choose the light color you prefer: Warm White (2700–3500K) or Nature White (3500–5500K).

Is a bulb included?

There is no bulb to buy: the LED light source is integrated into the fixture and rated for 30,000 hours.

Does it need assembly?

Only a simple installation: fix the mounting plate, connect the wires, then lock the sconce on with 2 screws.
